

Attachment A:

**Supplement to Application No. 1014
Application of Enterprise Products Operating LLC to La Porte ISD**

The following information is provided in response to the letter, dated September 3, 2014 from Robert Wood, Director of Economic Development and Analysis, requesting additional information for the Application.

1) Section 1, Questions 4 and 5

- a) The District initially determined the application to be complete on June 10, 2014. Since that date, supplemental information has been provided to the District and the Comptroller in support of the application. With the amendments submitted to date, the application is determined completed on September 18, 2014.
- b) The District has determined that the electronic copy and hard copy are identical, except to the extent that amendments and supplemental information submitted through the current date may differ from electronic copies submitted prior.

2) Section 9, Proposed Timeline (revised): *Provided by Enterprise in Exhibit A*

3) Section 12, Reinvestment Zone

The reinvestment zone has not yet been established. Maps and supplemental information is provided by Enterprise in Exhibit A.

4) Supplemental Information About the Proposed Qualified Property: *Provided by Enterprise in Exhibit A*

5) Schedules: *Provided by Enterprise in Exhibit A*

6) Section 16, Signature Block

- The original application was submitted with an authorized signature on the hard copy.
- The signature page for the amendments submitted through the current date, including amendments submitted on or about July 11, 2014, is attached as Exhibit B.
